

Hillsboro Depot Burned.

News reached the city early this morning of a fire at Hillsboro, which destroyed the Southern depot at that place, with all the freight, tickets, books, etc. Just how the fire originated is not known but is supposed to have been the work of incenderies. The loss is quite large and there can be no estimating the amount of freight lost in the fire. It is hoped that whoever set the building on fire, if such is the case, may be caught and dealt with to the fullest extent of the law.
