The four proposed volunteer volunteer fire de- fire departments are Efland, partments now is underway Eno, Orange Rural and New and a special kickoff meeting Hope. The Efland district will include the rural area between

Monday's meeting will be to begin the registration drive and encourage people to return to the school to register

If voters approve the establishment of a fire district in their area the county will have the right to tax residents up to 15 cents per \$100 valuation on their property. The tax rate for each district will be set each year by the County Commissioners after re-viewing a request of a board of trustees. A board or frustees will be appointed for each fire district and will pre-

pare a budget each year to be presented to the commissioners.

The Efland district was proposed because the area be-tween Mebane and Efland was not served by the neighboring Mebane and Hillsborough fire departments. If the Efland proposal passes the Mebane department will continue to serve the area of Osange 14 is now serving and the Efland depastment will assist on a mutual aid basis.
